Setting Appropriate Patient Care Priorities

HEATHER, Section 2 Using One Minute Preceptor Model for feedback

Consider where are going to provide the feedback and how you are going to start the conversation. How might you start revisiting the concept of prioritization of care? Record your ideas below using the One Minute Preceptor Model

One Minute Preceptor model - Get a commitment

One Minute Preceptor model - Probe for their reasoning

One Minute Preceptor model - Teach the general rules

One Minute Preceptor model - Positive feedback

One Minute Preceptor model - Correct errors
