- Committed Partners/Stakeholders

RIBN Lessons Learned.....

- Enhanced collaboration among partners
- SSAs are critical to student success
- Planning time essential to reach agreements on admissions/curriculum/financial aid
- Assure university online course availability
- Involve clinical partners early to shape practicum/employment processes

Moving RIBN Forward.....

Regionally:

- Continue to increase diversity of RIBN applicant/student pool
- Develop mentoring/buddy programs for RIBN students: *RNs & “Sr” RIBN students*
- Support Transition to Employment for RIBN RN students: *Post Yr 3 through Yr 4*

Sustaining RIBN Into the Future...

Statewide:

- Create coordinating/oversight mechanism with NCCCS and UNC GA
- Financial support for SSA positions
- Support expansion of Year 4 enrollment
- Create new RIBN partnerships; Explore LPN-BSN &/or RN-MSN “RIBN” pathways
